The Installation package and Users Manual can be downloaded from our Internet address [www.acs-gcro.com](http://www.acs-gcro.com). Go to “WINASAP2003” link and then “WINASAP2003 Software Download” link. The Users Manual could be downloaded by selecting the “Manuals & Guides” link. This Quick Reference Guide will walk you through everything you need to do to get started using WINASAP2003.

**Note:** After installation, the “Help” function within WINASAP2003 covers the same topics as does the User Manual.

If WINASAP2003 does not load correctly or does not execute properly, please call ACS’ EDI Support Unit for assistance. **WindowsNT, Windows 2000, Windows XP and Windows Vista users: You MUST have administrative rights to your system in order to install WINASAP2003.** Please contact your system administrator for assistance.

## 2 INSTALLING WINASAP2003

The installation and setup of WINASAP2003 is an easy, two-step process:

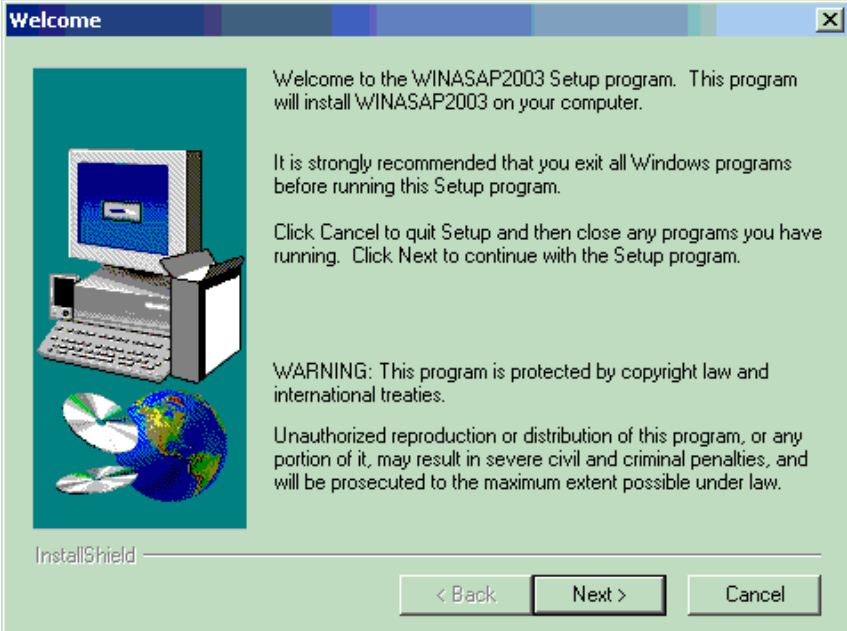

- 1- **Install** the WINASAP2003 software on your PC.
- 2- **Start** WINASAP2003 and set up your *Trading Partner* and *Reference* tables.

STEPS	ACTIONS
1	Terminate all active programs / applications before you install WINASAP2003 in order to avoid potential system conflicts or errors.
2	Double click the Installation package that you have downloaded on the <a href="http://www.acs-gcro.com">www.acs-gcro.com</a> website.  Winasap2003. exe

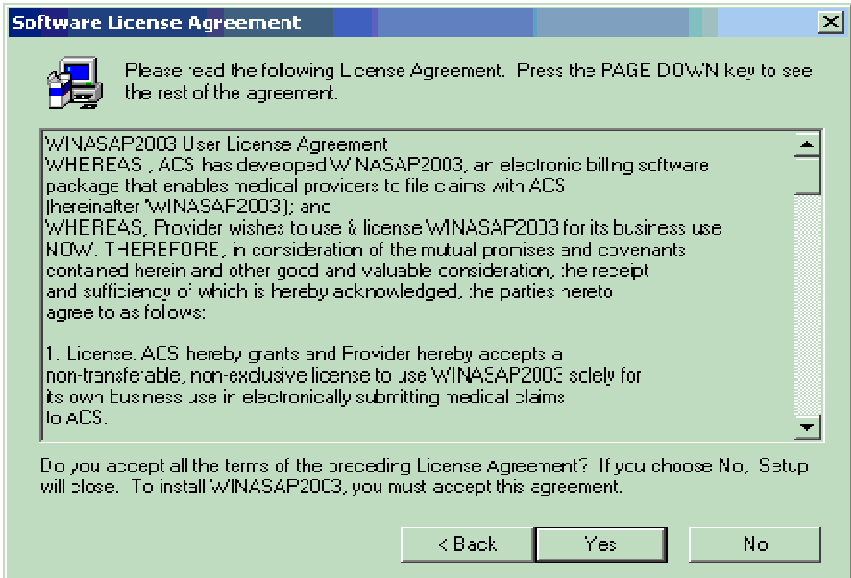

3 When the first Welcome Window displays, click the **Continue** button.

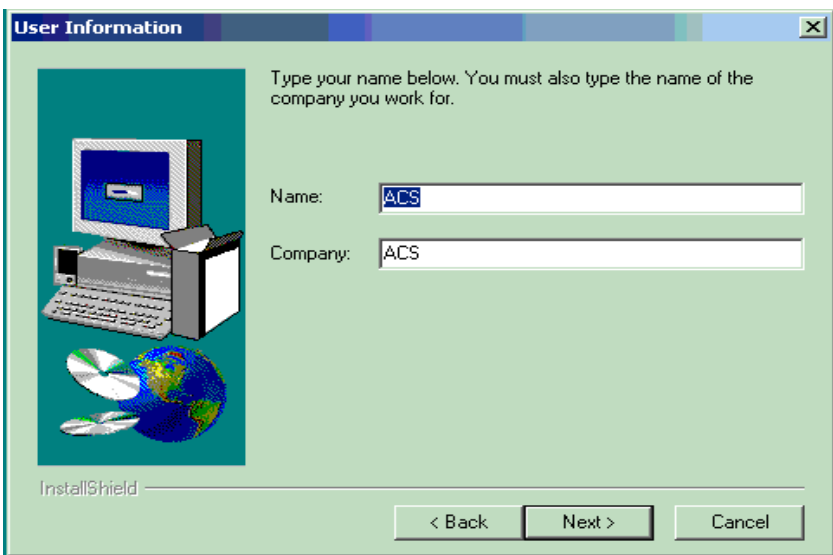

4 When the second Welcome Window displays, click the **Next** button.

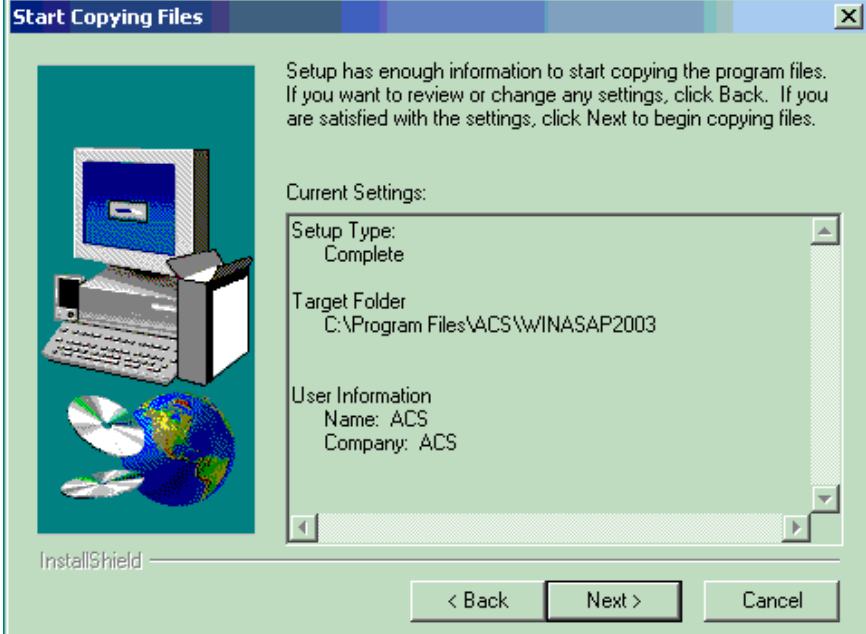

**5** The Software License Agreement window displays next. Read through the agreement and click “yes” to accept the terms of the agreement and continue installing WINASAP2003. If “no” is clicked, the install program will terminate.

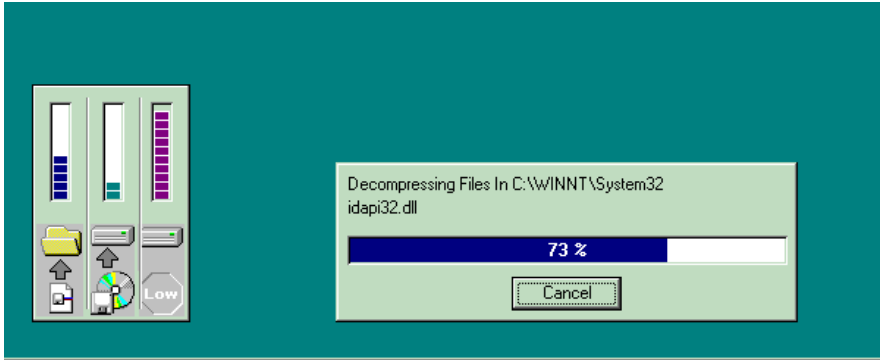

**6** The User Information window will display next. Enter your name and the name of your company. Once this information is entered, click **Next**.

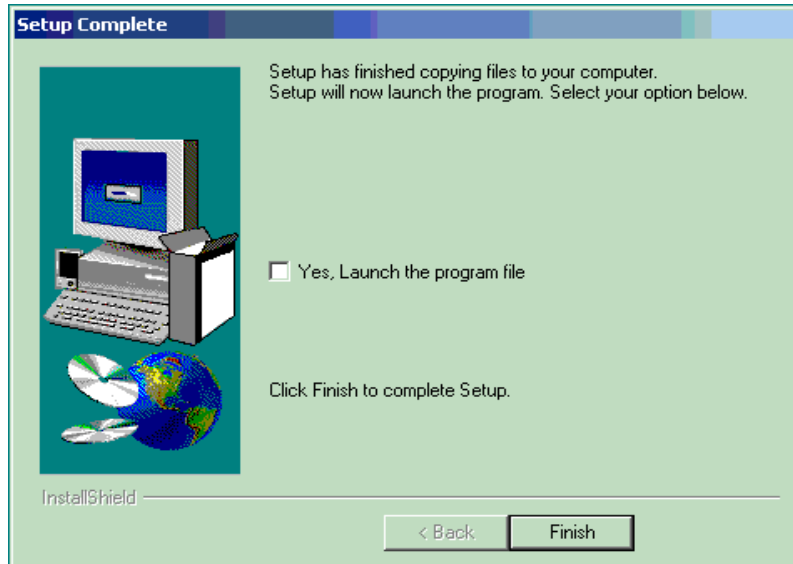

7 The “Start Copying Files” window follows, indicating the current settings you have chosen so far during the installation. Click the **Next** button.

8 WINASAP2003 will begin copying its files to your hard drive.

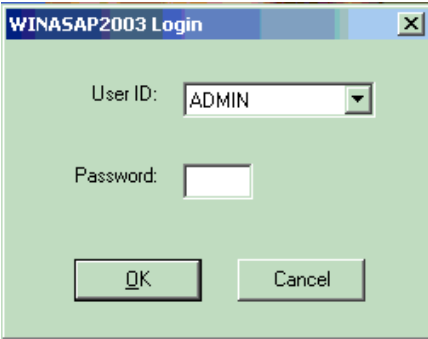

<b>9</b>	You will now see the option to Launch the program. If you place a checkmark in this box and click Finish, it will start WINASAP2003. If you chose to launch the program after you clicked Finish, go to Step 14 Otherwise, go to Step 10.
----------	---

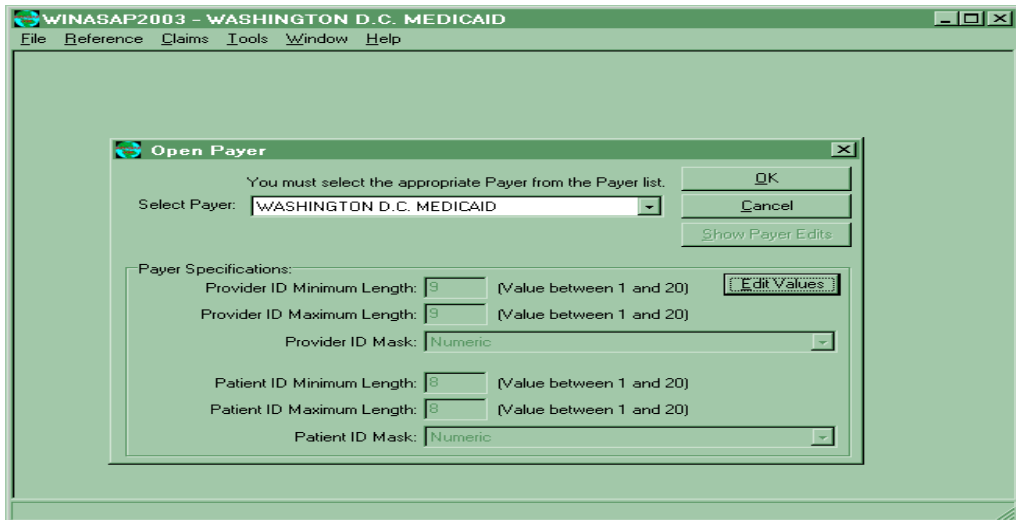

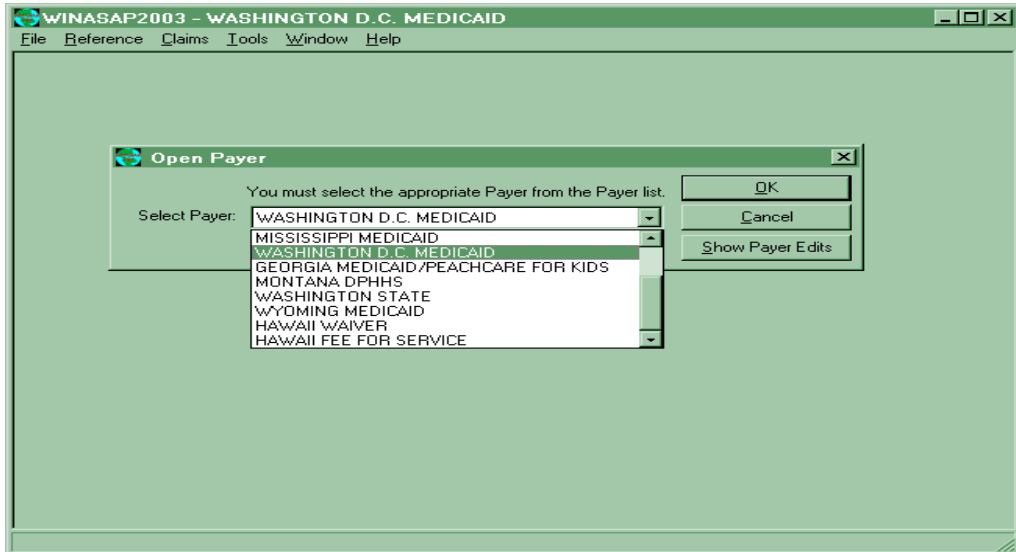

<b>10</b>	Click the Finish button.
<b>11</b>	When WINASAP2003 opens, enter “asap” as the password for the ADMIN user ID, click Ok and then select the payer you will be submitting claims to. This will become the default payer.

**If you did not select “Yes, Launch the program file, then follow these steps to open WINASAP2003:**

<b>12</b>	Click on the Windows Start button and select <b>Programs</b> .
<b>13</b>	Select WINASAP2003. (This will open the Login Window.)

<b>14</b>	<p>In the User ID field, select the user name from the drop-down list box. (“ADMIN” is the initial default.)</p> 
<b>15</b>	<p>In the Password field, enter your password. (“asap” is the initial default for the “ADMIN” <b>USER ID</b>.)</p>
<b>16</b>	<p>Click on the <b>OK</b> button.</p>

The **Select Payer** drop-down box will appear. Select the payer you will be submitting claims to. Once you make this selection, it will become your default payer. You will not need to choose it each time. There is a **Show Payer Edit** button. This will allow you to change the length of the provider number and the type of characters being used for the provider number. Click on the **OK** button.

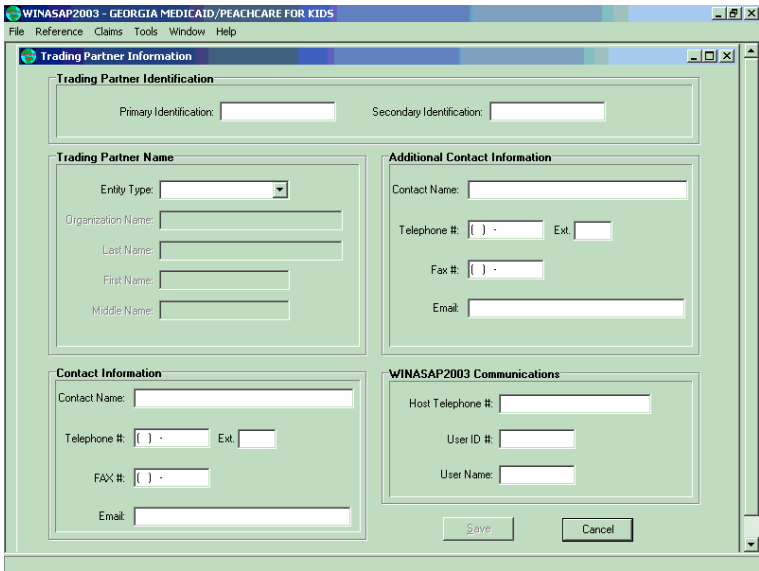

**You are now ready to begin updating reference tables or entering claims.**

**NOTE:** WINASAP2003 has a default user ID of “ADMIN” and password of “asap”. If you want to use the default user ID, you may. However, if you want to establish different security levels for different users you may do so by following the procedures in the user manual.

### 3 SETTING UP TRADING PARTNER INFORMATION

WINASAP2003 uses the information you enter in the Trading Partner Information window to uniquely identify your claim data and to provide ACS' EDI Claims Clearinghouse with the information necessary to authorize and accept your claim transmissions.

**NOTE:** The Trading Partner Information screen must be completed *before* you can successfully submit claims – **THIS IS A REQUIRED STEP!** In the event that your name, address, telephone numbers, or identification numbers change, you can perform these procedures again to update your Trading Partner data.

**CONGRATULATIONS!** You have successfully installed and performed the basic setup requirements to begin entering claims! Two easy steps will now allow you to send claims:

- Enter claim data
- Send claims to ACS

**Additional Notes:** Please ensure that your PC has a modem and printer set up in Windows. Refer to the *Help* function on the top menu bar in WINASAP2003, or the User Manual for more detailed instructions on setting up the program, navigating WINASAP2003, sending claims, printing reports, and applying the utilities functions.

## **6 PRINTING USER MANUAL**

---

To print the User Manual you must have the latest version of Adobe Acrobat Reader Version installed on your PC. If you do not have it, you can go to <http://www.adobe.com> and download the appropriate program. You can then view and print the User Manual.

The Users Manual by going to the [www.acs-gcro.com](http://www.acs-gcro.com) website. Select the “WINASAP2003” link and then to go “Manuals & Guides” link.
